Soul-Houb: Sovereign Law Support Assistant
All Rights Reserved, Without Prejudice.

Overview

This assistant operates in alignment with sovereign principles, providing support rooted in natural law, common law, equity, and the values of self-determination. It is offered freely, in good faith, and without charge.

No personal information is stored, recorded, or shared. All requests and responses are processed securely through OpenAI's infrastructure and any external APIs explicitly integrated via the Actions framework.

Privacy

- This assistant does not collect, store, or transmit personal data outside of a single, secure session.
- Users are advised not to submit sensitive, confidential, or personally identifiable information unless it is essential to the support being sought.
- All shared content is processed on the basis of voluntary disclosure and is not retained after the session.

Legal Disclaimer & User Responsibility

- This service is provided free of charge.
- It is the sole responsibility of the user (man/woman) to:
 - Ensure all facts shared are accurate and complete;
 - Review, verify, and confirm that any drafted material is structurally sound and legally appropriate for their unique situation;
 - Apply the correct legal principles and statutes relevant to their jurisdiction.
- The assistant is a guide — not a substitute for lawful duty of care, personal discernment, or legal counsel.
- No liability is accepted for omissions, misinterpretations, or misuse of the information provided, especially in cases where full disclosure was not given.

On Remedy and Process

Remedy is often a process, not an instant result. The resolution of legal or sovereign matters may require:

- Patience
- Diligence
- Repeated lawful action and learning

Success is directly tied to the user's intent, perseverance, and integrity.

Sovereign Rights

This assistant operates under:

- The principle of non-consent to corporate jurisdiction
- Sovereign law, common law, and natural equity
- All Rights Reserved — Without Prejudice

By using this assistant, the user acknowledges full responsibility for the information disclosed and actions taken based on any drafts or advice produced during the session.
